Important information about the latest anti-covid measures.

A state of emergency was declared until 14th February 2021. Therefore, our **courses will start in the form of remote classes and will be online until 14th February at least**. The university will return to normal courses once it is allowed by the national authorities.

On the basis of the decision of the Government of the Czech Republic a Rector's order has been issued with effect from 22 January 2021 (<https://dokumenty.vsb.cz/docs/files2/en/f7820aaf-3d2e-49a7-ba3b-a44b8809bf92?prevPage=true>).

If you need to undertake a PCR test in the Czech Republic after your arrival (you come from a red or dark red country according to the [traffic light system](#) issued by the Ministry of Health of the CR), you can undertake the test at Fakultní nemocnice Ostrava-Poruba (the hospital near the campus). To reserve an appointment for a date and time most suitable for you, use this link: https://reservatic.com/en/public_services/covid-centrum-fno

If you need assistance with booking the appointment or you wish to be accompanied to the hospital, please contact Barbora Stivarova (at least a day before your appointment), email: barbora.stivarova@vsb.cz, phone: +420 597 324 222.

If you should need more information or assistance after your arrival, please contact our [International Contact Point](#).
