# ABOUT UNIVERSITY |

## VSB – Technical University of Ostrava |

Since 1849 VSB – Technical University of Ostrava has been a leading institution in Central Europe. Today the University offers Bachelor's, Master's, and PhD programmes to more than 11,000 students in engineering, IT, technology, economics, and business related branches.

- Approx 2,000 international students
- Excellent job prospects with special visas for grads
- The City of Ostrava seats two major universities

170+  
Globally recognized research  
and education for 170+ years

## Research Oriented |

Study at VSB-TUO places an emphasis on practical training, investigating real problems of today's state-of-the-art industry using the latest software and instruments. In many study branches 50% of the coursework is practically oriented, perfectly complementing the advanced theoretical instruction, and ensuring that graduates have gained the education and experience sought by employers the world over.

## International Contact Point |

VSB – Technical University of Ostrava is home to a unique service centre for international students and academics: International Contact Point. Choosing a university for international education isn't easy, but we're here to help you with everything you need, from visas and accommodation, to medical care and what to do on the weekend or in your free time.

My time spent in the Czech Republic studying at VSB – Technical University of Ostrava was without a doubt the most incredible experience of my life, meeting, living, and travelling with the other students who originate from all over the world. I made a lot of friends and loved the city of Ostrava.

Shamil Abbasov (Azerbaijan)

VSB – Technical University of Ostrava ranked second in the “University Recommended by Employers” national award in 2021, affirming that our graduates are sought-after and appreciated by employers.

## Czech Republic |

Historic and picturesque cities, 800 year old castles, rolling hills and green forests, situated in the centre of Europe within a few hours of many of Europe's most beautiful capitals... An excellent location to base an education.

Beautiful towns with historical treasure, peaceful mountains, forests, lakes, villages, people and traditions. In the Czech Republic there are great opportunities for hiking, biking, touring and climbing towers.

## Ostrava |

### The heart of Europe

Ostrava is Czech's third largest city, a centre of industry and a university town in which students comprise 10% of the population, meaning there's always something to do with your free time.

#### Ostrava

- Finalist for European Capital of Culture 2013
- Host of Colours of Ostrava, one of Europe's top music festivals
- Home to the so-called Golden Spike, an annual athletics event, and a favourite spot of the legendary Jamaican sprinter Usain Bolt
- Centre of nightlife

# CAMPUS LIFE |

## Comfort |

**The VSB-TUO campus** is situated in the very pleasant district of Poruba, surrounded by a forest and paths for in-line skating and cycling on one side, and the Poruba district's unique and attractive architectural style on the other.

## Fun |

**The largest central campus in the Czech Republic** is connected by wifi, and home to cafes, beach-volleyball and tennis courts, football pitches, pubs, clubs, and all the little spaces you need to study and relax. Go for a walk in a natural forest or sip a cappuccino with a friend. All without leaving the campus area.

## Super Fun |

**Erasmus Student Network** is a student organization of volunteers which helps international students at VSB-TUO. ESN makes orientation days for incoming students, organizes trips, hiking, parties and sport and educational events. Buddies help with pick-up of incoming students at stations, making ISIC cards and cards for public transport and much more.

Excellent public transportation means you can walk out of your door and arrive in 5 European capitals within 4 hours.

I have experienced an amazing college life... I absolutely enjoyed activities held by Erasmus Student Network like visiting an orphanage and introduce my country to the lovely children. I'm really glad that I chose to study at VSB – Technical University of Ostrava. I love my life in the Czech Republic.

Liu Jingyi (China)
