<p>Visa Procedures</p>	<p>Students from countries which are not required a visa to enter Colombia and have been accepted for an academic exchange for less than 6 months must submit their letter of acceptance to Migration Colombia in order to receive the Permit for Entry and Stay (PIP2, for 90 days). In addition, students must submit this permit once at UNAB to legalize their stay and continue with their enrollment. Such permission must be renewed one month before its expiration at the Immigration office in Bucaramanga, Colombia and it has an approximate cost of \$ 80,000 COP.</p> <p>For stays longer than 6 months it is recommended to apply for a V type VISA in the country of origin at the Colombian Consulate (if students decide to do it online, they should be aware that the Visa must be stamped in the passport before coming to the university).</p> <p>Once in the city, we will help students complete the application for the "Aliens Card", this document takes about 20 days to be issued and has an approximate cost of \$180,000 COP.</p> <p>For information on visa procedures visit the website: http://www.cancilleria.gov.co/tramites_servicios/visas</p>

<p>Transport</p>	<p>ARRIVAL AT THE AIRPORT The "Palo Negro" airport is located in the town of Lebrija approximately 40</p>

minutes from Bucaramanga. The student can take a Taxi (individual or collective) once there. Mentioned below are recommended taxi drivers. We suggest contacting them by Whatsapp to ensure reception. The student must pay for the service and they must schedule it at least 4 days in advance.

-Anderson Riaño +57 311 481 3075 (public service taxi)

In case of any problem during the trip that implies the delay or cancellation of the arrival flight to BGA the student must notify the driver at least 2 hours prior the expected arrival time. Since, on the way to the airport there is a toll, which if the service is canceled without notice, the student must pay it anyway.

BUCARAMANGA

The city has several public transportation systems:

Taxi (minimum fare around 5,500 COP - enough to be transported from any of the accommodations suggested by the University)
