KOREATECH
KOREA UNIVERSITY OF TECHNOLOGY & EDUCATION

Welcome to KOREATECH!

2019 Fall Semester

01.

KOREATECH has various instructive courses that will enhance students' capability to become specialists in their respective fields.

02.

KOREATECH has 274 state-of-the-art laboratories and many hospitable facilities (including indoor gyms, a fitness center, and the Global Education Center) for foreign students to enjoy at any time.

03. KOREATECH has many global programs and events, such as International Day, a Holloween party, field trips, and KOREATECH Ambassadors, in addition to club activities which encourage cultural exchange and help students' school lives become more pleasant. Personal counseling services are also provided to exchange students to help them adapt to KOREATECH more easily.
