Course Overview: This course introduces participants to AI tools in academic writing, enhancing drafting, writing, and editing through a blend of theory and practical application. Participants will gain confidence in using AI to improve clarity, coherence, and efficiency in their academic work.

Course Objectives:

1. Familiarize participants with essential AI tools for academic writing
2. Develop practical strategies for using AI at various stages of writing
3. Foster critical thinking on ethical and effective AI use
4. Strengthen skills in research, organization, and editing with AI assistance
5. Guide participants on ethical considerations in using AI tools

Prerequisites:

- English proficiency at B2 level or higher
- Access to a PC or tablet with stable internet accession (WI-FI connection will be provided)
- Pre-installed access to ChatGPT or similar AI tools
- Pre-installed Telegram account on your PC or tablet for communication with the group and your instructor

Learning Outcomes:

Understand the ethical implications of AI use in academia
Develop a foundational framework for using AI responsibly in academic writing
Use AI to edit for grammar, tone, and style consistency effectively
Improve drafts through peer feedback, applying AI tools for constructive review
Effectively outline and organize academic work using AI tools
Develop coherent and well-supported arguments with AI-assisted drafting
Enhance research skills using AI for source gathering and literature reviews
Demonstrate effective source management and citation practices through AI tools
Finalize drafts with AI assistance, ensuring clarity, accuracy, and integrity
Reflect on AI's impact and future role in academic writing, applying responsible AI strategies in academic work

Cost: Coffee/Tea breaks during the program are free of charge. Participants are expected to cover their travel and accommodation expenses.

Venue: Serpina Hotel (www.serpinahotel.com)

Accommodation: Participants may stay at the Serpina Hotel in Gümbet-Bodrum. (3+ star hotel), *nightly rate for a single room, including breakfast, is € 60*. The participants can choose to stay at another hotel. But please be aware that it is on your own responsibility to be at Serpina Hotel on time for daily program.

Certificates: All participants who attend the program fully will be awarded Certificates of Attendance.

Info Pack and Program: The info pack and program are attached. Please note that the program is preliminary and subject to change.

Application: https://forms.gle/3dn1SNKfVEEL3bTu6

We will fully support you in applying for funding under the Erasmus+ program at your home university. Therefore, please let us know if you need any documents or confirmation.
